

How to sign into your FHSD Google account

The image shows a Google sign-in page. At the top is the Google logo, followed by the text "Sign in" and "Use your Google Account". Below this is a text input field with the placeholder text "Email or phone". A blue border highlights this input field, and an arrow points from it to a separate box on the right. Below the input field are links for "Forgot email?", "Not your computer? Use Guest mode to sign in privately. Learn more", and "Create account". A blue "Next" button is located at the bottom right of the sign-in area.
